

TRAFFIC LANE CLEANER

Traffic Lane Cleaner & Prespray 

PRODUCT DESCRIPTION & BENEFITS

TRAFFIC LANE CLEANER is the perfect “Step One” before extraction cleaning. This product attacks heavy petroleum and water based soils so they are easily removed during the extraction procedure. It is the only recommended traffic lane cleaner for use with other SAFEGUARD products to ensure product compatibility. Complies with carpet manufacturer’s guidelines for “Wet Side” cleaning.

DETAILED USAGE & INSTRUCTIONS

Read and understand SDS (Safety Data Sheet) before using this product. It is recommended that protective gloves and eyewear be worn when using this product. As with all cleaning products, always check for colorfastness on carpeting and upholstery in an inconspicuous area before using this product.

DIRECTIONS: Traffic Lane Cleaner should be diluted up to 16:1 / 8 oz. per gallon of water when used on carpeting and upholstery as a pre-spray. For large areas, prior to cleaning, use pump up type sprayer and apply thoroughly to traffic lanes or excessively soiled areas.

Refer to the product label or contact a Cynamic Chemical Co. professional for additional usage instructions.

TECHNICAL SPECIFICATIONS

Appearance / Color	Amber
Odor	Floral
Shelf Life	2 years
Solubility in Water	Complete
Foaming	None
pH	8 ± 0.005
Specific Gravity	1.044 ± 0.005
